Subject: Athletics Temporary spectator policies - Coronavirus Response

Wildcat Students,

Due to the surge in coronavirus cases and the increased infectiousness of the latest variant, the Linfield Athletic Department has set some temporary restrictions on spectators at athletic events. In summary, only a limited number of family spectators will be allowed, they must show proof of vaccination, follow mask rules for the facility, space out appropriately in the seating areas, and follow any other safety requirements listed in the link. Linfield students will not be able to attend at this time. This is in effect for at least a week and will be reviewed regularly.

See attached link for details.

With coronavirus cases increasing on campus and in our community, the Athletic Department has taken these steps to protect our students from unnecessary exposure while still enabling athletic competition for our Linfield Students.

We thank you for your patience and ask that you continue to assist us in keeping our campus as safe as possible for our student community.

Dennis Marks – Chair of COVID Emergency Response Team

Garry Killgore – Athletics Director
