March 2024

Think Spring!

We are beginning to think about spring related activities, and the changes that come with the season! The days are getting longer and we are anticipating warmer weather with more outside time at the Pre K!

We were fortunate to have fairly dry weather for the MWF classes walking field trip to the Linfield Post Office! The children enjoyed mailing their letters and touring behind the scenes at the post office. They even got to sit behind the wheel of the battery-powered mail truck!

We will begin the month of March learning about community helpers and transportation, then transition to all things spring.
