April 2024

Spring into April!

Hello, everyone! It is very hard to believe we are in our last 2 months of school! This year has truly flown by and your children have changed so much! We have observed steady growth in both their stature and skills. They are writing their names, socializing and making friends, creating amazing things in the block area...so many amazing things to see!

This month, on April 11th and 12th, we will be holding Parent/Teacher conferences to connect with you regarding your preschooler's progress this year. Hopefully you have been able to schedule a time with your child's teacher—sign up sheets are in the sign in area. You may also email your child's teacher if you are unable to do so in person.

We would like to thank all of you for your help with the See's Candy Sale! Because of your support, we have raised \$1,356 for us to put toward special materials and projects. Thank you all so much! You help make our preschool a happy place to be!

Growing like a weed...

Speaking of growing, you may notice several sprouts popping up around our classroom. The MWF classes will be doing some planting activities this month. We also plan to adopt some caterpillars, which we will observe as they change to butterflies. Keep watch around the classroom for all of the interesting changes.

What To Bring

MWF AM: Family size bottle of 100% juice

MWF PM: 5 oz disposable cups

Tu/Th AM: crackers or low sugar cereal (not Cheerios)

Tu/Th PM: 1 box of Kleenex/tissue
