## October 2024

### Falling into October!

We have sped through our first month with so much success! Your preschoolers are exploring and experiencing with such curiosity and excitement!

With the arrival of fall, we will be focusing on “Fall Changes” and “Harvest/Farm” themes for many of our activities. This will include exploring apples and pumpkins, as well as observing the changes in nature. Towards the end of the month, we plan to expand the routine to include jobs. We will rotate jobs on the “Job Chart” each class session. This will encourage responsibility within the classroom while giving your child a special way to contribute to the functioning of the group. Of course, one of the highlights of the month will be our field trip to Bernard’s Farm and picking out a pumpkin from the pumpkin patch. Please get forms and the fee in ASAP.

Happy Fall!

Angie and Brenda
