Giving Opportunity

This month in lieu of classroom supplies we are asking families to donate to Henderson House, a local organization that supports victims of sexual and domestic abuse. Winter clothing items are needed for infants, children, teens and adults. New or gently used items, washed and ready to wear, will be accepted. Items needed- coats, sweaters, long-sleeved shirts, hats, scarves, gloves, etc. Please bring items to the Pre-K's clothing donation box in the classroom. Thank you for supporting Henderson House.

Happy Holidays!

There are only a few short days before the holiday break, but we have them packed with lots of classroom activities! Our theme for December will be "Celebrations"—a focus on celebrations from different cultures and families. The children will be introduced to holidays celebrated this time of year including Christmas, Hanukkah and Kwanzaa. We welcome learning about family traditions important to you, if you would like to share them with us. We recognize that it is important to expose children to many kinds of family backgrounds to encourage meaningful connections between us. With this in mind, our dramatic play area is set up to encourage lots of imaginative play...Come see our "toasty" fireplace and festive décor!

Jan Term help needed!

This is a reminder that Jan Term will begin once we resume school on January 3rd. We rely on parent volunteers to help us during January and the first week of February when very few Linfield students are on campus. Sign up sheets are out and there are many openings available. You will need to show proof of vaccination for Covid19 and complete a background check prior to your shift if we do not have a current one for you. It is easy to do! Please see Ms. Gurley or Mrs. Flanders for details.

Have a safe and happy holiday, everyone. See you back on January 3rd!
