## October 2021

## Falling into October!

We have sped through our first month with so much success! Your preschoolers are exploring and experiencing with such curiosity and excitement! This month marks the continuation of Show and Tell (started 9/27) and the start of the collaborative alphabet book for the MWF classes. The children will have opportunities to focus on letter awareness, letter sounds, and how to be leaders and followers in the sharing process. Please encourage your child to bring an item for Show and Tell that begins with the letter of the week. (Refer to the calendar for the letter each week—posted in the classroom and online). It can really be a learning process if they are involved with the choosing of the Show and Tell item and picture for the alphabet book, so please make an effort to involve them! Thanks!

With the arrival of fall, we will be focusing on “Fall Changes” and “Harvest” themes for many of our activities. This will include exploring apples and pumpkins, as well as observing the changes in nature. For our “Leaf Hunt”(during what is usually our recess time) on October 26<sup>th</sup> and 27<sup>th</sup> we will be a walking through the campus oak grove, Parents will be welcome to join us at that time.. More detailed information will be coming soon!

Happy Fall!
